

## CHURRASCO CHARCOAL GRILL

Inspired from the Greek "souvlaki" on charcoal grills and the Hispanic "churrasco", Roaster has created a piece of equipment with unique benefits which derive from both traditions.

Roaster churrasco grill boasts a skewer rotating system over the embers which assures the perfect grilling result. Baskets for chickens can replace the skewers in the latest model while the use of the simple grill grates is also possible.

Choose the way you want to grill or combine all the accessories at the same time.

This 3 in 1 professional equipment offers the possibility to grill all kinds of food using various cooking methods and techniques.
